At approximately 5:30 p.m., the public hearing was called to order. The roll was called of the duly constituted officers and members of the Board, to wit:

Jeff Roebuck	President
Charlie Reneau	Vice President
Davilyn Walston	Secretary
Sandra Melton	Treasurer
Robert Bordes	Assistant Treasurer

All of said Board members were present, with the exception of Secretary Walston, thus constituting a quorum. Also present were: David Stacey, District Fire Chief; Cristy Draper, District Administrative Assistant; Mary Ellen Robertson, the District's accountant; Joshua Heinz of Benckenstein & Oxford, LLP, attorneys for the District; and, the individuals listed on the attendance log attached hereto as **Exhibit A**.

Upon establishing that a quorum was present, President Roebuck directed the Board to public hearing Agenda Item No. 3, at which time he advised the Board and others in attendance of the District's proposed 2026 property tax rate (\$0.069874/\$100), which will increase property taxes for the 2026 tax year. President Roebuck then invited questions and comments from those in attendance regarding the District's proposed 2026 property tax rate, and there was no response.

Accordingly, the public hearing was then adjourned and the regular meeting was called to order immediately thereafter.

Since a quorum had already been established, President Roebuck asked for public comment as set forth in regular meeting Agenda Item No. 3, and being as there was none, the Board moved along to regular meeting Agenda Item No. 4, at which time Mr. Heinz reviewed with the Board the proposed Resolution Approving 2026 Tax Roll, a copy of which is attached hereto as **Exhibit B**. Upon motion by Assistant Treasurer Bordes and seconded by Vice President Reneau, the Board members present unanimously adopted the Resolution Approving 2026 Tax Roll.

Next, the Board was directed to regular meeting Agenda Item No. 5 regarding the District's FY 2026-27 Budget. After reviewing and discussing the proposed FY 2026-27 Budget, Assistant Treasurer Bordes made a motion to approve and adopt same. The motion was seconded by Vice President Reneau. The record of votes on the District's FY 2026-27 Budget were as follows: For: President Roebuck, Vice President Reneau, Treasurer Melton, and Assistant Treasurer Bordes; Against: None; Present and Not Voting: None; and, Absent and Not Voting: Secretary Walston. The Resolution Adopting Budget, which includes a copy of the District's FY 2026-27 Budget, as approved and adopted, and the District's 2026 Tax Rate Calculation Worksheet, is attached hereto as **Exhibit C**.

The Board then moved along to regular meeting Agenda Item No. 6 regarding the District's 2026 property tax rate, at which time Vice President Reneau made a motion that the District's property tax rate be increased by the adoption of a 2026 property tax rate of \$0.069874/\$100, which is effectively a 1.60% increase in taxes, and approve an

order for levy of same. The motion was seconded by Treasurer Melton. The record of votes on the District's 2026 property tax rate were as follows: For: President Roebuck, Vice President Reneau, Treasurer Melton, and Assistant Treasurer Bordes; Against: None; Present and Not Voting: None; and, Absent and Not Voting: Secretary Walston. The Order Levying Taxes is attached hereto as **Exhibit D**. Mr. Heinz will forward a copy of the Order Levying Taxes to the Jefferson County Tax Office, along with the required 2026 Adopted Tax Rate Information form, a copy of which is attached hereto as **Exhibit E**. Mr. Heinz will also post the required Notice of Adopted 2026 Tax Rate, a copy of which is attached hereto as **Exhibit F**, on the District's website.

President Roebuck then directed the Board members to regular meeting Agenda Item No. 7, at which time Chief Stacey reviewed his written monthly Chief Report, a copy of which is attached hereto as **Exhibit G**.

The Board was then directed to regular meeting Agenda Item No. 8 for review of the Minutes of the August 25, 2026 regular meeting. Upon motion by Assistant Treasurer Bordes and seconded by Vice President Reneau, the proposed minutes were unanimously approved by the Board members present.

The Board was then directed to regular meeting Agenda Item No. 9 for the Treasurer's Report. Treasurer Melton reported the following balances in the District's accounts, as reflected in her written Treasurer's Report hereto as **Exhibit H**: Texas First Bank checking (9417) - \$75,380.19 as of August 31, 2026, and \$224,092.50 as of September 21, 2026; and, TexSTAR general fund (1110) - \$4,517,084.28 as of August 31, 2026 and September 21, 2026. The District's total funds on deposit as of September 21, 2026 was \$4,741,176.78. Following the Treasurer's Report, Ms. Robertson reviewed

with the Board the District's monthly financial Statement of Activities, a copy of which is attached hereto as Exhibit I. Ms. Robertson then reviewed with the Board the proposed Amended FY 2025-26 Budget, a copy of which is attached hereto as Exhibit J. Upon motion by Treasurer Melton and seconded by Vice President Reneau, the Amended FY 2025-26 Budget, as proposed, was unanimously approved by the Board members present.

Since there were no purchases/expenditures to be considered under regular meeting Agenda Item No. 10, the Board moved along to regular meeting Agenda Item No. 11 for approval of the District's bills. Chief Stacey and Treasurer Melton reviewed with the Board the District's various monthly expenditures, as shown on the Check List and Bank Account Registers attached hereto as Exhibit K. Upon motion by Assistant Treasurer Bordes and seconded by Treasurer Melton, the Board members present unanimously approved payment of the District's bills and expenditures (Check Nos. 5681-5682 and 5915-5951, plus the Entergy, Verizon Wireless, Enterprise Guardian, and other auto-debit payments).

Thereafter, the Board was directed to regular meeting Agenda Item No. 12 regarding the new Fannett fire station design/build project, at which time Chief Stacey discussed with the Board the status of the new station sprinkler system design and water supply/demand issues raised by West Jefferson Co. Municipal Water District.

Being as there were no matters to come before the Board under regular meeting Agenda Item No. 13, the regular meeting was adjourned at approximately 6:10 p.m.

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

Taxing units must include a hyperlink to a document that evidences the accuracy of each entry in the worksheet other than an entry making a mathematical calculation.¹ Source materials must contain data for all worksheets used, including supplemental worksheets.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

Voter Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the tax rate. The type of taxing unit will determine the rate components that apply to a taxing unit's overall voter-approval tax rate.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

SECTION 2: Maintenance and Operations (M&O) and Debt Tax Rate Worksheet

This section calculates two components of the voter-approval tax rate:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the minimum dollar amount required to be paid toward debt service for the current year.²⁷ This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

SECTION 3: Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

SECTION 4: Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 5: Unused Increment Rate

The unused increment rate is the rate equal to the sum of the prior 3 years Foregone Revenue Amounts divided by the current taxable value.⁴⁷ The Foregone Revenue Amount for each year is equal to that year's adopted tax rate subtracted from that year's voter-approval tax rate adjusted to remove the unused increment rate multiplied by that year's current total value.⁴⁸

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year in which a taxing unit affected by a disaster declaration calculates the tax rate under Tax Code Section 26.042;⁴⁹
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);⁵⁰ or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.⁵¹

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.⁵²

SECTION 6: De Minimis Rate

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.⁵³ This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.⁵⁴

SECTION 7: Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁵⁵

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
